4. Blocked Test Cases (37 Kasus)

Sebanyak 37 kasus berstatus **Blocked** secara transparan karena membutuhkan kredensial Google Workspace sekolah (`@bsd.ipeka.sch.id`), PIN Admin 6 digit, atau penahanan transaksi *write* agar tidak mengotori database operasional sekolah. Rincian lengkap tersedia di `TestCases.xlsx` dan `TraceabilityMatrix.xlsx`.

5. Evidence (Portal per Browser)

Screenshot layanan lengkap tersedia di folder `Evidence/<Browser>/`.

6. Rekomendasi QA

- Sentralisasi autentikasi menggunakan Google Workspace SSO untuk seluruh layanan internal.
- Aktifkan fitur School Tour booking atau sesuaikan deskripsi kartu pada Portal utama (`BUG-001`).
- Terapkan *rate limiting / account lockout* pada gerbang PIN admin 6 digit (`BUG-003`).
- Remajakan PRTG Traffic Grapher V6 (2008) dan perbaiki responsivitas tabel pada layar mobile.
